Re: South Florida Regional Business Alliance Annual Visit to Tallahassee

I hope that you are all doing well and enjoying the holidays.

It is my pleasure to invite you to join the South Florida Regional Business Alliance in Tallahassee on February 3 – 4, 2009 for our annual business fly-in. As in past years, we are planning a series of small group meetings with our key state elected officials. We will also be meeting with experts in the area of workforce housing, education, and transportation and with representatives from the state's leading business organizations including Florida TaxWatch, the Florida Chamber, and Associated Industries of Florida.
